ORDER INSTRUCTIONS

INLINE AND PENINSULA DELIVERY
The cost of 120-Volt outlets includes delivery to one location at the rear of inline or peninsula booths. If you require the outlet(s) to be distributed to any other location(s), material and labor charges apply. There is a minimum charge of (1) hour for installation and (1/2) hour for removal. Complete and return the Electrical Distribution Form along with a floor plan layout of your booth space indicating outlet location(s).

ISLAND BOOTH DELIVERY
ONE LOCATION
Island booths that need power delivered to one location incur (1) hour labor charge for installation & (1/2) hour labor charge for removal. Return a floor plan layout of your booth space indicating the outlet location with measurements and orientation.

ISLAND BOOTH DELIVERY
MULTIPLE LOCATIONS
Island booths that require power to be delivered to multiple locations within their booth space incur a minimum (1) hour labor charge for installation. The removal of this work will be charged a minimum (1/2) hour or (1/2) the total time of installation. Material charges will apply. Return a floor plan layout of your booth space indicating a main distribution point and all outlet locations with measurements and orientation. If a main distribution point is not provided, Edlen will deliver to the most convenient location.

24 HOUR SERVICES
Electricity will be turned on within 30 minutes of show opening and off within 30 minutes of show closing, show days only. If you require power at any other time order 24 hour power at double the outlet rate.

CANCELLATIONS
Credits will not be issued for services delivered and not used. See #16 & 22-24 on back of form for additional details.

TERMS & CONDITIONS
I agree in placing this order that I have accepted Edlen’s payment policy and the terms and conditions of the contract.

SAN FRANCISCO ELECTRICAL TERMS & CONDITIONS

1. Order with payment & floor plan (for island booths or any booth requiring distribution of electrical services) must be received no later than the deadline date on the order form for advance payment rates to apply. Orders received without payment and required floor plan will not be guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.

2. To receive advance rates a complete order inclusive of a scaled electrical layout must be received before the advance payment deadline date. The scaled layout must match the order and include power locations and orientation. Any changes or additional services received after the deadline date will be charged the regular payment price.

3. In the event order totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections and charge the corrected amount. Exhibitors will be notified by email of any such corrections.

4. Outlet rates listed include bringing services to one location at the rear of inline and peninsula booths.

5. Outlet rates listed do not include the connection of any equipment, special wiring, or distribution of the outlets, to other than the standard locations within the booth space. Distribution to all other locations regardless of booth type require labor and is performed on a time and material basis. Exhibitors are invited to contact the local Edlen office to discuss any additional costs that may be incurred.

6. A separate outlet must be ordered for each location where an electrical service is required. 5 amps or 500 watts is the minimum amount of power that can be ordered for any one location. Power must be ordered according to peak amperage ratings.

7. Island Booths - Booths that require power to be delivered to multiple locations within their booth space incur a minimum (1) hour labor charge for installation. The removal of the work will be charged a minimum (1/2) hour or (1/2) the total time of installation. Material charges will apply. Return a floor plan layout of your booth space indicating a main distribution point and all outlet locations with measurements and orientation. If a main distribution point is not provided, Edlen will deliver to the most convenient location.

8. There is a (1) hour installation and a (1/2) hour removal charge for Island Booths that require delivery to one location.

9. Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published. A minimum charge of (1) hour labor will apply for all installation work. The removal of this work will be charged a minimum of 1/2 hour or 1/2 the total time of installation, plus material.

10. Edlen Supervision—A supervisory charge of 10% of the prevailing labor rate will apply to all labor that exceeds one hour.

11. For a dedicated outlet, order a 20 amp outlet.

12. No inverters, self contained power supplies or devices that convert battery power to 120 volt power allowed.

13. In the event 1000 watt overhead quartz lights cannot be mounted to existing catwalks in the convention hall, lift and labor charges will apply. Contact our local office to discuss any additional charges.

14. Edlen employees are authorized to cut floor coverings when essential for installation of services unless otherwise directed.

15. Edlen is the exclusive provider of all material and equipment used in the distribution of temporary electrical services throughout the exhibit hall including the exhibitor booth space. This material is provided on a rental basis ONLY and remains the property of Edlen. It shall be removed only by Edlen employees.

16. Any extension cords or power strips ordered on the front of this form should be picked up at the Exhibitor Service Center. Credit will not be issued for unused items.

17. Standard wall and other permanent building utility outlets or sockets are not part of a booth space and may not be used by exhibitors unless electrical services have been ordered through Edlen.

18. All equipment regardless of source of power, must comply with federal, state and local codes. Edlen reserves the right to inspect all electrical devices and connections to ensure compliance with all codes, for which labor charges can be incurred. Edlen is required to refuse connections where the Exhibitor wiring or equipment is not in accordance with electrical codes.

19. All electrical equipment must be properly tagged and wired with complete information as to the type of current, voltage, phase, cycle, horsepower, etc., required for operation.

20. All Exhibitors’ cords must be a minimum of 14 gauge, 3 wire and grounded. Two (2) wire extension cords are not allowed. All exposed, non-current carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.

21. Payment in full must be rendered during the event. Exhibitors ARE NOT billed for services provided. Services may be interrupted if payment is not received.

22. Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing and received by Edlen (21) calendar days or less prior to the first contracted event move in date. Except sales tax, Edlen will not refund overpayment in amounts less than $50.00 unless specifically requested in writing.

23. If the event is cancelled within 90 days prior to the first contracted event move-in day all orders are subject to a 25% cancellation fee. No refunds will be issued for events cancelled on or after the first contracted event move-in day.

24. Claims will not be considered or adjustments made unless filed in writing by Exhibitor prior to the close of the event.

25. Exhibitor holds Edlen harmless for any and all losses of power beyond Edlen’s control, including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty Exhibitor equipment or overloads caused by Exhibitor.

26. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, Exhibitor will pay Edlen its attorney fees or applicable agency fees.

27. A service charge of 1.5% per month on any unpaid balances will be assessed starting 10 days after date of invoice. A $25.00 service charge will be assessed for all returned checks and credit cards. Exhibitor agrees to reimburse Edlen for all applicable rental taxes.

28. Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be reviewed by visiting https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf

COMMONLY ASKED QUESTIONS - WHERE WILL MY OUTLET BE LOCATED?

Outlets are located as depicted below for inline & peninsula booths. All other locations require labor on a time & material basis. Exhibitors with hard wall booths must make arrangements with Edlen to bring power inside the booth on a time and material basis.

FOR OTHER COMMONLY ASKED QUESTIONS VISIT OUR WEBSITE @ WWW.EDLEN.COM
OR CALL THE NUMBER ON THE ELECTRICAL ORDER FORM
ELECTRICAL DISTRIBUTION UNDER CARPET

ALL Island booths MUST provide the information below. Inline and peninsula booths need to provide this information ONLY if power is required at any location other than the rear of the booth space. This information allows Edlen the opportunity to expedite move-in by having your power distribution complete prior to your scheduled move-in time. Complete all of the fields below including the “Labor Estimate” Section. Edlen will make every attempt to complete the work prior to your arrival, but it can not be guaranteed.

1. Provide an Electrical Layout Form:
   A. The electrical layout must indicate each power outlet and its location with exact measurements.
   B. The electrical layout must reflect booth orientation. Use surrounding booth or aisle numbers.
   C. Identify a main distribution point. Power is delivered to that point and then distributed to other locations. Inline or peninsula booths do not need to provide a main distribution point. Power will be located at the rear of the booth.
   D. If power is only required in one location in Island booths, indicate that location with measurements on your electrical layout.

2. What date will you begin building your booth?
   A. Date:_______________________  Time:_______________________

3. Will you be utilizing any specialty floor covering other than carpet, such as vinyl or wood?
   A. Describe flooring:_____________________________________________________________________________
   B. Estimated date and time flooring installation will begin. Date:_______________________ Time:______________

4. Show site supervisor:
   Name _________________________________________________ Cell # __________________________________________
   Email _________________________________________________ Company _________________________________________

5. The exhibitor acknowledges there is a minimum 1 hour labor charge for the distribution of services and 1/2 hour for the removal of services. Island booths that only require power delivered to one location incur a 1 hour installation and removal charge.

POWER ORIGINATES FROM THE FLOOR IN THIS VENUE

Power is delivered from a floor port to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if power is needed at any other location than the rear of the booth. (See T&C page 4 for examples):
